Torrent converter

Torrent converter

The torrent converter allows you to download your torrent files and upload them to a file host.

This allows you to download torrents without your IP address being visible.

The use of the torrent converter is reserved for our VIP customers and limited in quantity, namely:

- 500GB max per torrent
- Up to 100 torrents converted per day
- Up to 20 active torrents simultaneously

Each torrent can be cut into several parts according to your wishes.

Limits may change.
